"Something More Than a Bulletin Board" Student written, edited, linotyped, printed on campus each week

State Teachers College, Moorhead, Minn., Tues., May 23, 1950 26th Year - Issue 30

Spring Prom Goes Parisian Friday to Tune of Gene Allyn

Senior and junior presidents Don Corcoran and David Lake with their dates, and Social Commissioner Helen Olson and her escort will lead the grand march at the 1950 spring prom in the big gym Friday.

The grand march is scheduled for 9:00 p. m. Dancing will begin at 8:30

and continue until 12:00. Music for the prom will be played by Gene Allyn and his orchestra. Theme for the occasion is "Twilight in Paris."

The receiving line at the prom will include Student Commission President and Mrs. Ed Fuller, President and Mrs. O. W. Snarr, Dean of Women

Frances Dillon, Dean of Men John M. Jenkins, Mr. and Mrs. Nels Johnson.

Mr. and Mrs. C. A. Glasrud, Dr. Genevieve N. King, and Social Commissioner Helen Olson and her escort. Mr. Johnson is adviser for the prom. Glasrud is senior class adviser and Dr. King is junior class adviser.

Guest tickets may be purchased through tomorrow from Miss Dillon.

Committee chairmen for the prom include Phyllis Evenstad, decorations; Marcella Landburg, publicity; Monroe Reitz, orchestra stage; Mil Straus, refreshments; Wilma Anderson, invitations and programs; Russ Tall, cleanup; and Charles Samuelson, cloakroom. The art club is assisting with decorations.

High School Graduates 25 Students Klooze, Robbins to Give Addresses

Baccalaureate services for the 25 members of the 1950 graduating class of the MSTC campus high school will be held on June 4 at 8 p. m. in the high school auditorium. Rev. N. W. Klooze of the First Congregational church of Moorhead will be the speaker.

Commencement exercises will be held on June 6 at 8 p. m. in Weld

auditorium. Glaydon D. Robbins, director of professional divisions at MSTC, will speak on "Challenge of the Unknown."

Candidates for graduation are Barbara Asp, David Bartholomew, Bonnie Baugh, Dorothy Foldenauer, Kathryn Gantzer, Clifton Jacobson, Effie Johnson.

Margery Morgan, Barrett Nokken, Eugene Oelke, Ione Olson, Marlene Olson, Beverly Peterson, Genelle Peterson, Patrick Pinkney, Robert Rinke, Cleo Salberg.

Hugh Schoephoerster, Mark Schumm, Harry Soberg, Lillian Soberg, Marjorie Staley, Carol Swenson, Jeanne Wheeler, and William Zebley.

Thortvedt Art Featured In Rho Lambda Exhibit

Miss Orabel Thortvedt of Glyndon, Minn., will be open to MS faculty and students May 25-26, 29-31 in the art parlors.

The exhibit, sponsored by Rho Lambda Chi, rural life fraternity on campus, will include pen and ink sketches depicting rural pioneer life in the Buffalo River territory, portrait and other paintings.

On the committee in charge are Cleo Kohn, Marion Rethwisch, Wilma Perhus, and Marilyn Mattson.

New Positions Available

Elementary positions in North and South Dakota Indian schools are available, according to Ray R. Sorensen, placement director.

Opportunities for four years graduates interested in becoming airline stewardess are also open.

Those interested in either of these two positions should see Mr. Sorensen.

Homecoming Foe Is Officially Mankato; Huskies Rumor Gets Scotched with Tape

By RUSS TALL

The Homecoming slogan contest deadline has been extended until Friday at 5 p. m. The decision was made by the student commission after it was discovered that the Mankato Indians would be the opponent instead of St. Cloud, as was erroneously announced last week.

Organizations are also reminded that concession requests should be submitted to the commission before May 31.

If there is anything worse than making a mistake on a poster, it is making a mistake on 25 posters, and that is exactly what happened to the publicity department of the Student Com-

mission last week.

You have probably noticed the supplements in black which were hastily scotch-taped to the Homecoming slogan contest posters distributed on every bulletin available on campus.

It seems everyone except those who knew, thought St. Cloud was the opponent. The Commission planned a campaign on that basis. Shortly after the MiSTiC came out with a full page ad containing the same contents as the erring posters, the publications office telephone rang. Mr. Bierhaus called to make it known that Mankato was the opponent, not St. Cloud.

Miss Fitzmaurice, Commission adviser, refused to believe it. When she

was finally convinced, she let loose with the verbal blast, "Well, for goodness sakes!" Or something like that.

Mac Holbrook got a large charge out of the whole thing and suggested it was a good publicity stunt. Commission President Ed Fuller had collected his wits by that time and came up with an ingenious idea.

"We better change the posters," expounded Fuller.

As for me, I grabbed a large black color crayon, some paper and some scotch tape and made a tour of the campus, hitting all the bulletin boards.

By one bulletin board, I stopped to talk to a senior on campus. "What do you think of that business of getting the slogan posters all fouled up?" I asked.

The senior showed signs of deep thought, then looked up and uttered, "What posters?"

To cap it all off, the one on the Wheeler Hall board had been covered up entirely with another poster announcing a "Kappa Pi picnic in the Kindergarten room." And the Kappa Pi had even used the Commission's tack!

Baccalaureate and commencement services for MSTC's June graduates have been scheduled for Sunday, June 4 and Friday, June 9 respectively.

Dr. Raymond C. Gibson, provost of the Duluth branch of the University of Minnesota, will be the commencement speaker at the program scheduled for ten a.m., June 9.

Gibson's address is entitled "The Principle of Liberalism."

The invocation and benediction will be delivered by Samuel Bridges, head of the MSTC social studies department.

Rev. Erling R. Jacobson, pastor of Trinity Lutheran church in Moorhead, will speak at eight p.m. for the June 4 baccalaureate service in Weld auditorium. The subject of his speech will be "The Margin of Completeness."

Gibson, president of the Duluth

State Teachers college in 1946-47, received his Ph.D. with a major in School Administration and a minor in Public Administration.

In 1945, he served as principal of the University of Wisconsin Elementary Laboratory School.

At the present time, Gibson is writing a book on the fundamentals of college administration.

Left: Gibson
Right: Jacobson

Seniors Strut Tomorrow

MSTC's graduating seniors will observe Cap and Gown day tomorrow by wearing caps and gowns to all classes.

Don Corcoran will act as master of ceremonies in a special Senior Talent convocation program in Weld auditorium at 10 a.m. The program will include a humorous skit written

by Beverlee Olson and Audrey Hylden and acted by members of the senior class, a musical program featuring a vocal solo by Mary Jo Weling, and numbers by the Clarinet quartet. Quartet members are Art Nix, Warren Paynter, Carl Olson and Willard Snustad.

Detroit Picnic Canceled

The All College picnic at Detroit Lakes scheduled for Wednesday afternoon has been called off. Only 300 student signatures were obtained on the second sign-up for the picnic, whereas President Snarr stated that in order to dismiss school for the event, at least 400 signatures were required by four o'clock Monday.

Though over four hundred did register their desire to go on the lake trip on questionnaires sent out earlier, the second sign-up was to be conclusive.

The alternate idea of having the picnic on campus was also discarded, since it was concluded that with such a large percentage of students wanting a lake trip, few would welcome the campus affair.

Transportation fare and lunch money paid by the 300 signers will be refunded through the mailboxes as soon as possible.

Final Quarter Exams Scheduled in June

Spring quarter final examinations have been scheduled for Monday, Tuesday and Wednesday, June 5, 6, and 7. The spring quarter ends officially on June 9 with the commencement exercises.

May 30 (Memorial Day) and July 4 (Independence Day) will be observed as legal holidays. Classes will be held on Monday, May 29 and Monday, July 3.

Students of Piano, Oboe Schedule Evening Recitals May 29 and 31

Seven MS students will give two recitals May 29 and 31 in Weld auditorium at 8 p. m.

Rosemary Warren and Daniel Larsen will be featured in the first recital; in the second will be Eunice Larson, Norma Ost, Mary Rumreich, Willard Snustad, and Margery Johnson.

The program for the first recital includes Miss Warren on piano playing the Italian concerto, Bach; Maid with the Flaxen Hair and Minstrels, Debussy; Intermezzo in E Major and Rhapsody in B Minor, Brahms.

Larsen on the oboe and Miss Warren will play two sonatas for piano and oboe by Handel-Hindemith.

The second recital will highlight piano solos by Miss Ost and Miss Larson. Miss Ost will play a group of selections from Chopin, including Fantasia Impromptu, Nocturne in C Minor, and Revolutionary etude. Miss Larson will play Beethoven's Sonata in F Minor.

Mary Rumreich and Miss Ost will play a piano duet, Brahms' Variation on a theme by Hayden.

Margery Johnson and Willard Snustad will sing a duet from Mozart's 'La Ci,' Daren LaMano.

The concluding selection will be Jamaica Rhumba by Benjamin, a piano duet played by Miss Ost and Miss Rumreich.

An art exhibit featuring works of

Senior Day Draws 198 HS Seniors in Area

A total of 198 high school seniors attended Senior day at MSTC last Wednesday. They represented Moorhead, Ulen, Halstad, Marietta, Hawley, Rothsay, Hitterdal, Borup, Glyndon, Barnesville, Browns Valley and Lake Park.

Student guides reported that the seniors were enthusiastic and that a large number reported interest in MSTC.

Navy Man Here

Lieutenant Commander Robert L. Feiten from the Naval Air station in Minneapolis will be at the college tomorrow to interview men interested in becoming pilots in the United States Navy.

He will speak in Ballard Lounge at 12:45 p. m. and will conduct his interviews there.

Seminar Committees Set Up

Faculty sub-committees in the Council of Specialization have been set up to examine the possibility of senior seminar courses along the lines of the science seminar already offered.

The seminar is a way of teaching by group discussion. Faculty and students meet one hour a week to hear a member of the course talk on a subject in the seminar's field. Free discussion follows.

One hour seminars in the arts and in English-social studies are being planned.

On the art committee are Dr. Duane Harmon, music; Flora Frick, physical education; Matilda Williams, art; Otto Ursin, industrial arts.

On the English-social studies committee are Samuel Bridges, C. A. Glasrud, Glaydon Robbins, Ray R. Sorensen, Paul Heaton.

—the editors think it over—

Final MiSTiC Declared 'Orchid Issue;' Students, Faculty Given Pat on Back

We were jolted off our soapbox last week with the somewhat ghastly realization that this is the last MiSTiC of the year. Realizing this, we hereby declare this paper "orchid issue" to hand out the praise and congratulations we've been meaning to give from issue to issue. Somehow they seemed to have gotten buried beneath all the

other things we felt we had to say.

So first of all, congratulations, seniors. We feel as proud of your graduation as do you. Without being unduly sentimental, may we say that as a class you are a good one, one which we shall miss and remember? We are expecting great things of you —and expecting, also, that you keep in touch with MS via our alum

column.

And to the faculty who are leaving, either temporarily or permanently —our thanks. MS will indeed be a different school without you, for in the end, it is the teachers who make any school what it is. We hope to see some of you return after next year with new prefixes attached to your names.

We also applaud the Student Commission and its first quarter of work. While we may sometimes have disagreed with them, we cannot help but congratulate them for the many projects and events they have successfully conducted in the past quarter from Cleanup day to Senior day. Bravo!

It's sympathy we must give to the baseball, track, tennis, and golf teams. The weather nearly killed all chances to show themselves in what might have been a stellar spring sports year. There was ample evidence of this when things did finally begin, but unfortunately it was for too short a time.

As a parting word, we sincerely thank the MiSTiC staff who in some way managed to get in copy and work long hours despite mid-terms, lake trips and a seasonal disease known as spring fever.

See you next year.

GOLDEN GUERNSEY
THAT **SPECIAL** MILK

Children love good GOLDEN GUERNSEY Milk. And there are two reasons why you should urge them to drink a lot of it. First, GOLDEN GUERNSEY will help to give them better health. Second, better health means better grades. Actually, it is the finest food they can have, because of the generous supply of butterfat and the extra food solids below the cream line.

Unlike most other foods, GOLDEN GUERNSEY Milk costs very little more than it ever did. In fact, it gives you more food value for every penny than any other food you can buy. A telephone call to us will start your delivery of GOLDEN GUERNSEY Milk tomorrow.

Shorty's First Basewoman To Wed Childhood Beau

By EILEEN DONNAN

"Even before we were old enough to walk I can remember my dad used to throw things at my three sisters and me," Pat Briggs told me.

"Why that's terrible," I said, thinking what a miserable childhood she must have had. "Why didn't your mother leave him?"

Pat gave a hearty chuckle. "Why no," she explained, "You see, they were things like baseballs and footballs that he used to throw at us. Girls run in our family and since my dad didn't have any boys he made tomboys out of us girls."

Last summer Pat played first base for Shorty's, the woman's softball team from Moorhead that took second place in the state.

On June 16 Pat will marry Maurice Sondrall, formerly of Moorhead. He will be attending summer school at MSTC this summer.

Pat and Maurice met at Moorhead junior high approximately ten years ago when she was in the seventh grade. They went together through the seventh, eighth, and ninth grades. At the end of the ninth grade Maurice moved away.

Last summer Maurice was in Moorhead picking up some academic credits here at MSTC and he and Pat met again. On September 10 they became engaged.

Someday Pat intends to carry on her father's tradition of raising athletes in her family. Most likely though, she says, "They'll all be girls."

Point System Would Let Some Exceed Maximum; 'Most Workable Plan' - Allen

TO THE EDITORS:

I am writing this letter in regard to your interpretation of the "Worst Law" on M.S. books. Apparently, the editor is not fully aware of the principles behind this point system regulation.

As for the maximum amount of points being set at 25, this has proven to be the best system workable. Not just by the Student Commission, but by the students and faculty alike.

The student who shows exceptional ability in studies and extra-curricular activities as well I'm sure would be allowed to exceed the maximum amount of points under the present system.

However, the fact remains that in the past the students who have exceeded the maximum, have been ones with above average scholastic ability. The Commission, was supposedly elected to represent the students as a governing body. This law which was put into effect by the last Commission may not prove to be infallible nor was it intended

to be.

The fact remains it was placed on the books for the general welfare of all, and not for the benefit of any particular individual. The Commission will gladly accept any recommendations from the students for improving this system, and if necessary, will put the issue up for vote before the entire student body.

As for college being the last place for a student to order his own affairs this should be true, but apparently is not. One of the main points of this system was to prevent students from being placed on probation by carrying too many hours along with a full extracurricular program.

As for individual responsibility being a part of a democratic institution, the editor might practice this point himself, and make a few individual recommendations of his own, instead of finding fault with the various systems of school organization and tearing them apart.

I'm sure much could be found

wrong with the past issues of the school paper if the students cared to delve into the subject. As for signing letters to the editor before they can be printed, the editors might do well to follow this practice also.

Fred Allen

(Editor's note: By "worst law," we meant that any unenforced law is a "worst law," as our editorial stated. The point system was not "put into effect by the last Commission." It was passed by that Commission, but only now are attempts being made to enforce the law. When this is done, it will no longer be a "worst law," although in our opinion it will be a poor one.

The editors of the MiSTiC are at all times ready to hear criticisms of any kind concerning the paper. We will be perhaps the first to recognize past weaknesses.

The policy of the MiSTiC as to the editorials follows general journalistic principles. Unsigned editorials in the boxed head are written by the editor himself and bear no signature. Auxiliary editorials or editorials written by someone other than the editor bear the initials of the writer if he is a member of the staff or treated as a letter to the editor if he is not. In the latter case, we will withhold the name on request provided we know the writer.)

Sorority Girls Return From Lakes Red Faced

By MARY ANN HEDER

Red faces and sore muscles are the result of the lake trips enjoyed this past weekend by members of the four sororities.

Beta Chi sorority spent the weekend at the Bjornson cottage on Round lake. Members of the Pi Mu Phi sorority stayed at the Gosslee cottage on Lake Pelican.

Psi Delta Kappa sorority was housed at the Bautz cottage on Lake Melissa. Gamma Nu sorority was at the Levenson cottage on Detroit Lake.

A first hand story of the lake trips would go like this: The girls traveled by all known conveyances to the sites where they were to stay. Some went by car, others by bus and train, while still others traveled by the illegal method-hitchhiking.

Arriving at the respective cottages, the girls grabbed a bed for the week-

end, unpacked, and then began to enjoy the sun and the outdoors to the utmost degree.

For entertainment, there was hiking, card games, gab, singing, boating, biking, tennis, fishing, and wading (yes, the water was cold.) As for the hiking, two Gams walked two miles through stubble fields-barefooted for results: sore, bleeding feet for the martyrs.

And then there was a little work, too. We drew slips for turns at cooking. I was lucky and got to work with the outdoor picnic crew-fewer dishes. A few little things happened like burned beans but actually the food was wonderful. Never saw the girls eat so much.

Well Sunday afternoon, the girls returned home, sunburned and tired, ready to struggle through the next few weeks of school ...

Amen.

Graduating Seniors Trapped By 'Sneak' Examinations

TO THE EDITOR:

Why is it, that certain instructors here at M.S. who are aware of the fact that senior's are not required to take final examinations, always seem to work in an exam about two weeks before finals either the equivalent to or a reasonable facsimile of a mid-term or final.

It appears to me, that if they are not sure on the grading of an individual by the time ten or eleven weeks of the term has gone by, then surely one more week is not going to make any difference.

Most term papers are requir-

ed to be in at least one week prior to final exams, these along with reports, classwork, and midterm should be ample material on which to judge an individual's grades.

Hasn't the average person graduating enough to do writing letters of application, student teaching, acquiring four years in college without having to worry or plan for an exam his last week in school?

I hardly think this is justified and I'm sure many will agree, students and faculty alike.

MS Team 'Snowed Under' at Bemidji; Racketeers, Golfers, Thinclads Lose

After struggling through a month of rain, the Dragon athletic team traveled to the Minnesota State College conference meet at Bemidji last Saturday and got "snowed under."

Soc Glasrud tennis team lost all seven matches. The golf team finished fifth in its five-team competition. And to top it off, coach Roy Domek's track team finished with two-fifths of a point.

MS Plays Mayville Away, Cobbers Here

Mayville TC will play the MS baseball team here this afternoon. Concordia will play a return game here on Friday afternoon.

If these games are cancelled due to weather, the baseball season for the college may well be over. Examinations will make it difficult to play games after this week, and since many colleges close school before MS, the problem of making up games seems impossible.

Rather than do this, most baseball schedules are being abandoned. The NDAC has, for example, cancelled all baseball and track meets of the season.

risky business

Column's Finale Tells 'Felde Story'

By DICK RESKI

A son, Norman, was born to Mr. and Mrs. Felde of Fargo today.

That was the story 25 years ago. Today, Norman is still cracking the headlines.

Norm attended Fargo high school where he was an outstanding athlete. He lettered in football, track and hockey but his true love was baseball.

The high school had no baseball

PE Club Installs

On May 22, the girls' Major-Minor club is inviting all the physical education major boys to a meeting in Ingleside. The meeting is being held in order to start the reorganization for a Major club next year.

Initiation and installation of officers will be held May 31 in Miss Frick's home at 5:30 p.m.

The new officers elected to the Major-Minor club last Thursday are Eva Nelson, president; Gladys Scheer, vice-president and co-rec head; Arlene Williams secretary; and Marilyn Berg, treasurer.

Golfers Beat Cobbers

The MSTC golf team composed of Wally Solien, Charles Mahan, Allen Jenson, Carl Hedstrom, and Marvin Skaar, defeated the Concordia golf team eight one half points to two six and one half.

Carl Hedstrom was low man, parring the course with a 76.

Mankato was host to the netmen and swept the contests, copping all but two sets in the seven-match event.

Bud Brown beat Bob Rich, 6-0, 6-1. Bob Riege beat Dan Larsen, 6-2, 6-1. Dewey Nelson beat Bob Merck, 7-5, 1-6, 6-4. Chuck Emme beat Rolfe Pederson, 6-4, 6-2. Ken Brown beat Al Swanson, 6-1, 6-2.

In the doubles matches, Nelson Emme beat Rich and Pederson in the best match of the day, 7-5, 6-8, 7-5. Ken Brown and Clint Keene beat Merck and Larsen, 6-2, 6-1. The golf team didn't fare any better, finding the greens fast and hilly to come in last.

Mankato was the whole show in the track events, rolling up 16 first and seconds for a 95.7 total. Winona had 48, St. Cloud 40.2, Bemidji 24.7, and the Dragons, two-fifths of a point.

Fritz Worle and Keith Woods managed to wind up in a five-way tie for fifth in the pole vault to salvage the MS points.

Mankato's thinclads set two new conference records. Reader ran the low hurdles in 24.5 seconds and Wagner heaved the shot put 44 ft. two inches.

It was simply no contest for the

poorly-conditioned MS athletes who were actually at their first practice rather than their first track meet.

Lack of depth probably would have meant a poor showing for the Dragons, even if they had been in condition, however. Linked together, the two factors spelled disaster for the athletic records.

Tennis Men Play Mayville, Bemidji Teams This Week

The MSTC "Racketeers" met the Mayville tennis team today at the Island park in Fargo. The Mayville tennis team is being coached by an old alumnus, Richard Forseth, former athlete and prominent figure about the campus. He graduated in 1947.

Wednesday or Thursday, the team will meet Bemidji TC. If on Wednesday, they will play in Detroit Lakes. If on Thursday the teams will meet in Fargo.

First Blood Drawn In Intramural Tilts

Intra-mural softball finally got underway last week with the Michigan Miners, Woodmicks, and the Black Sox turning in victories in the eight team league.

Ray Kuklenski and Jimmy Gotta led the Miners to a 10

to 6 win over the Masters by collecting three hits and a home run respectively.

The Miners out hit the Masters by the count of 10 to 3. Otto Klug was the winning pitcher and Ralph Crews pitched for the losers.

The Woodmicks handed the Masters their second setback during the week with a 9 to 3 victory. Keith Woods allowed three hits for the losers as his team banged out ten hits. Rudy Schultz was the losing pitcher.

Although the BSB's pounded out ten hits to the Black Sox' 5 they were short on runs. The Black Sox won 13 to 9. A big fifth inning when the Black Sox pushed across six runs on three hits told the story.

The eight team league consists of the Woodmicks, BSB's, Michigan Miners, Dragon Terrace, Masters, Black Sox, and the Cleaners.

In charge of the softball program are Ray Kuklenski, Curt McCamy, and Jim Gotta.

Each team will play eight games, once each with the others in the league. Ray Kuklenski announced that cancelled games should be made up as soon as possible because of lateness in getting started.

This week's schedule finds the Woodmicks against the BSB's; the Dragon Terrace tangling with the Black Sox; and the Red Sox meeting the Cleaners.

MS Hi Wins Second

MSTC high school copped the second of its two Little Valley conference games behind Hugh Schoephoerster last Thursday.

In the first game, the campus high school swamped Audubon 16-1 and in the second game turned back Glyn-don 12-2.
